~Birchwood Middle & Dr. Edward A. Ricci Middle ~

This year's summer reading honors and celebrates student voice and choice.

For all grades, 6-8, choose one book below. Although there are recommended grade levels after each text, students may choose any text.

Book suggestions containing mature content are marked with *MC.

1. *In the Shadow of the Sun* by Anne Sibley O'Brien

North Korea is known as the most repressive country on Earth, with a dictatorial leader, a starving population, and harsh punishment for rebellion. Not the best place for a family vacation. Yet that's exactly where Mia Andrews finds herself, on a tour with her aid-worker father and fractious older brother, Simon. Mia was adopted from South Korea as a baby, and the trip raises tough questions about where she really belongs. Then her dad is arrested for spying, just as forbidden photographs of North Korean slave-labor camps fall into Mia's hands. The only way to save Dad: get the pictures out of the country. Thus Mia and Simon set off on a harrowing journey to the border, without food, money, or shelter, in a land where anyone who sees them might turn them in, and getting caught could mean prison -- or worse. An exciting adventure that offers a rare glimpse into a compelling, complicated nation, *In the Shadow of the Sun* is an unforgettable novel of courage and survival. Thriller!
